Section 51(a)

(b) On the other hand, an officer whose real duties are those of an Inferior Servant, even though his pay exceed ten Rupees, is not entitled to pension on the Superior Scale merely because he draws pay under a Superior designation

Mysore. Rule 1. In consideration of the low scale of pay prevailing in Mysore during the Native Administration, the Chief Commissioner may allow service, even on pay not exceeding ten rupees, in offices which must have been filled by educated men, to reckon as Superior Service. (See Section 79, Rule 1). But this concession only applies to Officers who were in the Service of the Mysore State before 1862, and served con-

tinued.

continuously since that year.

Section 79. (a) Unless there be something repugnant in the subject or context, the words "Pay" and "Emoluments" used in Chapter XII mean the pay and emoluments which the Officer was receiving immediately before his retirement.

(b) "average Emoluments" means the average calculated upon the last 5 years of Service.

Rule 1. — In the case of an Officer claiming the benefit of section 51, rule 1, "average emoluments" means the average calculated for the whole of the service necessary to qualify for the pension granted, excluding any excess service rendered before the commencement of the necessary period; and a Gratuity is to be calculated on "average Emoluments" (as defined in this section) instead of on "Emoluments".

Letter from the Comptroller in Mysore, No. 736 of the 9th. May 1892, reporting that a reply from his office in the matter of the pension application of Subba Rau late Amildé Muttuseddi of the Nunjengode Taluk, is delayed as the pension application which was sent to the Sub Dy. Order thereon No.

The delay on the part of the Sub Dy. Office is equally reprehensible and inconvenient. The Dy: Commr. will direct the Sub Dy. Officer to more closely scrutinise his unanswered reference list. The Comptroller of Mysore.

To

The Chief Secretary
to the Dewan of Mysore.

SIR,

With reference to your docket No: 7481/421 dated 29th September 1891 returning the Pension application of Soobrow late Anche Mutsaddi of Nanjangud together with a petition presented by him accompanied with 7 Canarese papers for re-verification of that portion of his service namely from 1st November 1868 to 28th February 1871 which was reckoned as non-qualifying by this office, I have the honor to state as follows:—

The Deputy Commissioner of Hassan (to whom the Canarese papers were referred) has in his reply No: 1018 of 30th November 1891 stated that

the Amildar of Belur reports that the name of Soobrow is not traceable in the Barawards for December 1868. January and February 1869 and that the Amildar of Hassan reports that Soobrow is shewn in the Barawards of the late Maharajaidroog Taluq as Revenue gumasta from 24th June 1869 to 11th December 1869 which period is now reckoned as qualifying service. The applicant having served as an acting Nutsaddi, Record-Keeper and Copyist from 1st November 1868 to 23rd June 1869 on Rs9 per mensem as noted in the application, and the period not being verifiable from the records of this Office, nor his name traceable in the schedule of Establishment for April 1869, must be reckoned as service of a temporary nature, and does not qualify for pension under Section 4 of the Civil Pension Code (the rule in force when applicant retired) Moreover there was no Office of Nutsaddi, Record Keeper and Copyist of Rs9 per mensem during that period in the scale of permanent establishments of Districts. The service from 12th December 1869 to 4th January 1870. which is not

the Deputy Commissioner Hassan in his letter — quoted above, is the period during which the applicant must be supposed to have been on leave without — allowances as can be gathered from a perusal of one of the 7 Canarese papers produced by him viz endorsement dated 18th December 1869 from Deputy Commissioner Hassan informing him that no extension of leave can be granted, and he must forthwith join his post at Nagamangala which period has in consequence been excluded as non-qualifying. The Service from 5th January 1870. to 28th February 1871 has been verified by the Sub-Division Officer French Rocks, as certified in his docket No: 105 dated 9th Instant and is treated as qualifying for pension.

The application is herewith returned with an amended report accordingly for a pension

of Rs. 5-15-0 together with the applicants petition and Vernacular papers received with your docket under reply.

I have the honor to be
